

Persuasive Speech Peer Evaluation

Speaker: __Cameron Shortt__

Evaluator: __Cameron Shortt__

Five things the speaker did well

1. Enthusiasm
2. Hand gestures
3. Introduction
4. Slides before body
5. Eye contact

Five things the speaker could improve

1. Nerves in voice
2. Slides per talking point
3. Odd pauses
4. Stuttering
5. Cut off Conclusion

Overall comments: (optional)

The speaker seemed incredibly nervous. The speech seemed like half was prepared in advance and half was created 5 minutes prior (although this was not the case). Needs improvement.
